Welcome to Fox Primary School

FoxFederation

Admissions

If there are more applications than places available, the Royal Borough will allocate places in the following priority order:

1. Looked after children;
2 Exceptional need;
3. Siblings;
4. Children of staff;
5. Random allocation within the designated priority area detailed in the map. All applicants living within the priority area will randomly allocated a rank number using a Third Party Draw Service. This process is independent of the school and managed by the RBKC Admissions Team;
6. Nearest to the school outside the priority area.

Admission numbers for 2026

FoxFederation

- 290 on time applications submitted
- 5 places to priority categories
- 23 siblings
- 32 places through random allocation within the priority area
- Appeals: 4 heard. 0 upheld

- Ofsted ‘Outstanding’ - 2023

The Fox Federation

FoxFederation

FoxFederation

Ashburnham Avondale Park Avonmore Fox Park Walk St Anne's Nursery

- An ambitious, research-informed curriculum, developed collaboratively by expert teachers and leaders across our schools.
- Leading professional development beyond our schools, through Maths and English Hubs, Early Career Teacher training and wider CPD programmes.
- Exceptional opportunities for children, including shared sporting, musical and enrichment events across the federation.

Fox Federation Mission and Values

Fox Federation Mission We work together to enable all children to reach their full potential, to make a difference and to create positive experiences.

Fox Federation Values:

- RESPECT
- RESILIENCE
- COLLABORATION
- CURIOSITY
- INCLUSION
- *Annually changes and chosen by school council*

Early Years Foundation Stage Intent

FoxFederation

We aim to give children the best possible start to school by:

Instilling a genuine love of learning through a rich and relevant curriculum, an enabling environment and attuned relationships with adults

- Embedding key knowledge and skills to act as a solid foundation for learning throughout primary school and beyond
- Ensuring that every child feels cared for and valued as an important member of the whole-school community
- Ensuring that children's experiences are interesting and exciting so that they enjoy school
- Supporting children to develop as curious and independent learners who can make their own choices and are not afraid to make mistakes
- Giving children opportunities to collaborate, problem-solve and learn from each other
- Supporting children to develop their emotional and cognitive self-regulation so they can be properly equipped for the challenges that lie ahead

Our Early Years approach

FoxFederation

- We have a carefully designed curriculum that aims to develop a sense of belonging in our school community which celebrates each child's unique identity within that community
- Children have opportunities for adult-guided and independent learning every day
- We also have a strong focus on child-led play and exploration - 'choosing time' is a significant part of every day and covers all seven areas of the curriculum.
- Children's choosing time is across both classrooms and outside
- The children have hands-on, fun experiences both inside and in the outdoor classroom (and through Forest School sessions from January)
- Teacher-led whole-class carpet sessions 3 to 4 times a day targeting key areas of the curriculum
- Targeted adult-led groups over the course of the week focusing on language development/writing and maths skills
- Specialist PE, Spanish, massage/mindfulness and music teaching

Our Early Years Curriculum

FoxFederation

Knowledge Organiser Autumn 1 - Who Am I?

Intent: Children will learn about their
around them. They will express perso
sights. The children will be able to talk
mutual respect. The children will de
vocabulary in a range of contexts. The

Spring 1 Paddington's London

Intent: The children will develop their understanding of their local area and their identity as a member of a wider community. They will identify key locations and landmarks in relation to school and where they live in London. The children will develop the language of direction, positional language and be introduced to maps and how they are used. The children will identify key people in their local community who perform vital roles.

Our curriculum from Years 1-6

FoxFederation

- A mastery approach across all curriculum areas, focusing on depth and breadth of knowledge *(not acceleration through the curriculum)*
- Knowledge rich curriculum - use knowledge organisers, very clearly defined content, skills, and substantive concepts that build year on year;
- All national curriculum subjects taught.
- MFL taught in every year group (*Spanish - by specialists)*
- Phonics is taught through Essential Letters and Sounds - daily in EYFS and KS1
- All of our curriculum is actively inclusive, with careful consideration of representation and content;
- Strong focus on well-being through the school - with massage, mindfulness and PSHE;
- We have values based PSHE programme, the Big Think, from EYFS to Year 6;
- Physical Education - New sport ½ termly, alongside a rigorous focus on fitness and skills;
- Music is delivered through Sing Education, alongside wide range of enrichment, opportunities for instrumental lessons, choirs and trips.
- All curriculum areas are enhanced through regular trips across London.

Ofsted 2023

FoxFederation

- Overall effectiveness: Outstanding
- The quality of education: Outstanding
- Behaviour and attitudes: Outstanding
- Personal development: Outstanding
- Leadership and management: Outstanding
- Early years provision: Outstanding

“This is an exceptional school.
Pupils are hard-working, passionate and highly articulate.
Pupils all take part in a very broad range of wider opportunities.
Pupils have extremely positive attitudes to learning.
Teachers have very strong subject knowledge.
Leaders’ curricular thinking is highly developed and ambitious for all.”

Academic Standards -SATs results 2026

FoxFederation

	Writing	Reading	Spelling, Punctuation and Grammar	Maths	Science
At or above the expected level	95% (72%)	96% (74%)	100% (72%)	98% (74%)	97% (80%)
Working at greater depth	68% (13%)	60% (29%)	84% (30%)	75% (24%)	There is no greater depth measure in Science.

Key things you need to know

FoxFederation

- Compulsory School Meals;
- No clubs for Reception until January;
- Fox does not advocate lots of home learning - reading/spelling/maths fluency;
- Attendance - cannot take holidays in term time
- School day Mon - Thurs 8.45 am -3.30pm

  Fri 8.45 am -2.15pm
- Punctuality – learning starts at 8.45am *(children marked late after this)*
- Actively discourage parents taking their children out to the independent sector in Year 2 and Year 3 and will not support references.
- Your child will gain a rounded education at Fox – we do not hothouse children for private schools!
- Virtual Tour is available on the website

The start of our journey together
